Mother's Day in May 12th!

Show Mom you love her with these simple ideas

Nothing says "I love you Mom" like surprising her with her favorite breakfast in bed. Add fresh flowers for a nice touch. Create a homemade card to show how appreciative you are of her by describing all the wonderful things she does. You can take it a step further and decorate an old shoe box and fill it with her favorite tea, lotions, and coupons that she can use at a later date when she needs a break from cleaning and cooking.

Calling All Girls Entering Grades 3-5

Techie Camp will be held at Framingham Village August 12-16 for all girl residents of Homeport. Further explore your interest in technology and let your imagination flourish with your peers. Applications are due May 31st. Please see Kaitlin in the community office or by phone at 614.833.9244 for more information.
